

Name: Tadahiro Kitamura

Present position: Professor, Metabolic Signal Research Center,
Institute for Molecular and Cellular Regulation, Gunma University

Email: kitamura@showa.gunma-u.ac.jp

Educational Background & Professional Experience Education:

2006-present	Professor, Metabolic Signal Research Center, Institute for Molecular and Cellular Regulation, Gunma University, Maebashi, Japan
2005-2006	Assistant Professor, Diabetes Research Unit, Division of Endocrinology, Department of Medicine, Columbia University, New York, NY
2002-2005	Research Fellow, Diabetes Research Unit, Division of Endocrinology, Department of Medicine, Columbia University, New York, NY
2000-2002	JDF (Juvenile Diabetes Foundation) Postdoctoral Research Fellow, Diabetes Research Unit, Division of Endocrinology, Department of Medicine, Columbia University, New York, NY
1999-2000	JSPS Research Fellow in Biomedical and Behavioral Research at National Institutes of Health, Bethesda, MD 1
1996-1999	Research Fellow, The Department of Internal Medicine, Kobe University School of Medicine, Kobe, Japan
1992-1996.1	Post Graduate Student, The Department of Internal Medicine, Kobe University School of Medicine, Kobe, Japan
1990-1992	Resident, The Department of Internal Medicine, Hyogo Prefectural Kakogawa Hospital, Kakogawa, Japan
1989-1990	Resident in Medicine, Kobe University Hospital, Kobe, Japan
